ABOUT THE THEME - **VASUDHAIVA KUTUMBAKAM**

“Vasudhaiva Kutumbakam” is a Sanskrit phrase that translates to “The world is one family” in English. This ancient Indian saying conveys the idea that the entire world is interconnected and all people are part of a single global family. It promotes the values of unity, cooperation, and the idea that we should treat everyone with kindness and empathy, regardless of their nationality, race, or religion. It’s often used to emphasize the importance of global peace and understanding among different cultures and nations.

ASSEMBLIES :

School assemblies are very important for students, teachers, and schools as well. The intention of conducting assemblies is to develop a feeling of unity among kids.

It builds self –confidence level and improves the capabilities in students towards co-curricular activities. Children also learn social discipline and bring forward many talents.

ACTIVITIES :

School activities allow children to get involved in activities such as reciting poems and storytelling. Importance of school activities is extremely important and includes those activities in which learning combines with play. It is beneficial in learning basics for children. It also enhances the quality of education of kids.

Children learn more when they are engaged to do interesting activities .This develops their LSRW skills. Activities will explore each child's own interest and talents. It also develops their fine motor skills.

ACADEMICS :

Classroom plays a vital role in every child's life. It should be an inclusive atmosphere for the kids so that they learn with happy feeling.

Academics are important because it is strongly linked to the positive outcomes we value. Education is the most powerful weapon which you can use to change the world. Being a good teacher therefore demonstrate and illustrate and shape the personality of their students. Provide the right advice to students and kids to express their feelings. Activity based learning will bring forth so many changes in the academics.
